only with  
remote*

Supplier of Railway/MES/Electricity Board/PWD/BSF/CRPF/Ordenance Factory etc.

ISO 9001-2015 CERTIFIED CO.

More than 50 Years Old Manufacturing Company

**BENTEX**

## Energy Saving Fans Save Electricity upto 60%

### • FEATURES :-

1. BLDC Sensorless 3 Phase winding Motor Fan.
2. Low Power Consumption (Power Saving up to 60%).
3. Low Noise Level.
4. No Heating Problem.
5. Replaceable Fan Blades.
6. Fan Speed Controlled.
7. Smooth & Easy Starting without any jerk.
8. Over voltage & over current protection provided.
9. High Breeze Performance output.
10. Powder Coated Paint provides excellent long lasting finish.
11. Aerodynamically designed Aluminium Blades for maximum silent air flow.
12. Low loss Electrical stamping to ensure minimum power consumption.

### SPECIFICATIONS :-

Fan Type	: BLDC Ceiling Fan
Type of Motor	: 3 Phase Sensorless BLDC Motor
Rated Voltage	: 230V, AC, 50 Hz.
Blade Size (Sweep)	: 36" (900MM)
Power Consumption	: 25 Watts
Bearings	: Double 'Z' Ball Bearing, 2 Nos.
Speed Level	: 5 Stage Speed Controlled
RPM	: 500 RPM

## SOLOMAX
